

Frances Heitkemper

(909) 788-4514 | frances.heitkemper@gmail.com

EDUCATION

Haverford College

Bachelor of Arts in Mathematics (GPA: 3.82)

Haverford, PA

Expected May 2029

- Minors: Computer Science, Economics, German
- Relevant Coursework: Money and Banking, Analytical Methods for Economics, Multivariable Calculus, Differential Equations, Introduction to Statistics, and Introduction to Computer Science

Claremont High School

High School Diploma (GPA: 4.37)

Claremont, CA

September 2021 – June 2025

- Completed Calculus 2 and Linear Algebra at Pomona College, 2024-2025

RESEARCH EXPERIENCE

Pomona College Math Department

Research Assistant

Claremont, CA

June 2024 – September 2024

- Co-authored a user guide (vignette) for the R package `biwt` to demonstrate resistant correlation using the `biweight` functions. `Biweight` changes the weight of different data points based on how far they are from the center to calculate statistical measures like mean, variance, and correlation.

LEADERSHIP EXPERIENCE

Haverford College:

Quantitative and Fundamental Analysis Club

- Presented an investment thesis on e.l.f., analyzing competitive positioning, financial performance, valuation, and key investment risks.

Strong Girls United Ambassador

- Working to organize kids' programs led by student athletes
- Raised over \$2,000 through a fundraising campaign tied to completion of the Long Beach Half Marathon

Haverford Womxn in Economics Club

- Supporting women in economics through mentorship, networking, and professional development events.

Claremont High School:

German National Honors Society Officer

- Organized and ran many events every year, including Oktoberfest, Weihnachtsmarkt, Culture Fest, weekly soccer games, and fundraising at local German deli.

International Thespian Society

- Worked front of house, soundboard, set design and construction, props, hair and makeup.
